Only one route will be chosen and built. Shown segments/routes could change based on landowner input, engineering, ground surveys and studies.

1 inch = 300 feet
when printed at 22x34

A horizontal number line is shown with tick marks at 200, 400, and 600. The word "Feet" is written below the line. The segment from 0 to 400 is shaded black, and the segment from 400 to 600 is white.
