

NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio Transmission Company Inc. (AEP Ohio Transco) proposes to build a 138-kilovolt (kV) transmission line in Norwich Township in Franklin County.

The purpose of the Britton-Davidson 138-kV Transmission Line Project is to build a 138-kV transmission line to provide power to Amazon. AEP Ohio Transco will build the new line using standard single-pole, steel structures. The Britton-Davidson transmission line is less than one mile long. This project will be an approximate \$1 million investment by AEP Ohio Transco. Construction is scheduled to begin in November 2016.

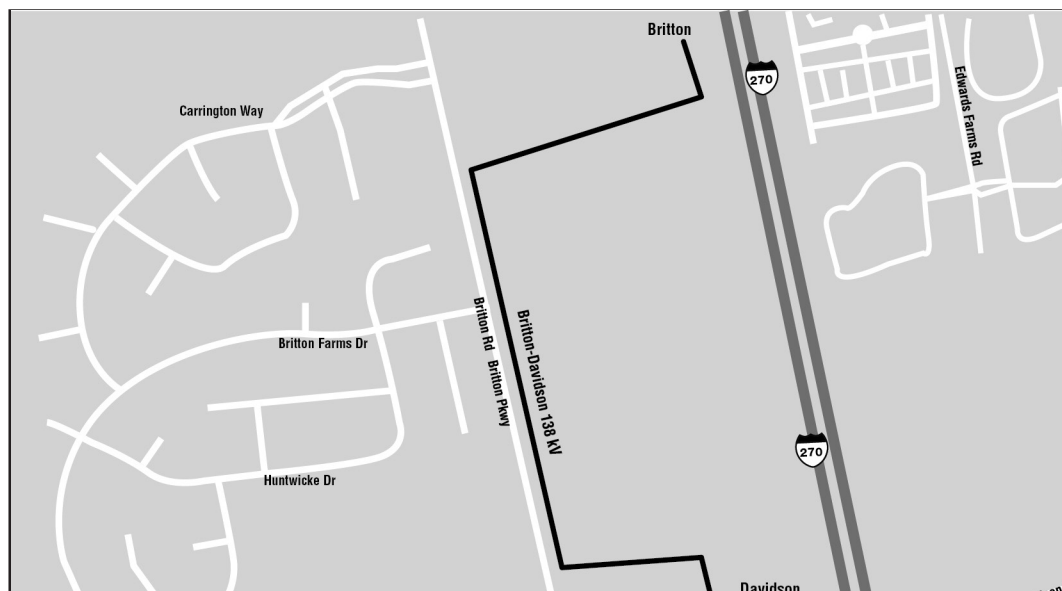

The project is known as the Britton-Davidson 138-kV Transmission Line Project. AEP Ohio Transco has filed a Letter of Notification with the Ohio Power Siting Board, under Case No. 16-1993-EL-BLN. This number should be included in all communications with respect to this project. The Letter of Notification to construct, operate and maintain this facility is pending before the board.

Petitions to intervene in the Letter of Notification will be accepted by the siting board up to 10 days following the publication date of this notice required by Rule 4906-2-12, Ohio Administrative Code. Petitions should be addressed to Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215-3793 and must cite Case No. 16-1993-EL-BLN.

The accompanying map depicts the project area. It should be noted that due to the reduced scale and limited detail, this map should be used only as a general guide. Copies of the actual Letter of Notification, including specific details about the location and construction are available for public inspection at the following locations:
